Three Things Must Be Proved to Build Stable Area

MORE ABOUT OUR AREA: Here is one of two editorials about our Egypt economy handed to me by someone who would like to see things get started. Without further ado, let's read it:

"Thousands of people in southern Illinois are of the opinion that something should be done to alleviate our unemployment situation. If this is your opinion, ask yourself what your personal attitude and action has been toward alleviating this situation.

"Have you wondered what you can do to help?

"Would you help if that opportunity required nothing but your publicly announced interest in wanting to prove a few simple facts that are of the utmost importance in actually realizing the fulfillment of all our hopes—making southern Illinois a better place to earn a living?

"Would you be interested in a plan that will keep you constantly informed as to what is being done and what must be done to bring permanent jobs to southern Illinois? "Operation Grass Roots" is such a plan.

"Have you ever heard anyone say, 'We will never have anything here because 'They' don't want it? Who are 'They'?

"This is your opportunity to prove that you are not 'They'.

"We all know that basically we have three major things to prove before we can build an economically stable southern Illinois. Only we the people can prove these things.

"First, we must prove we want industry and are willing to cooperate unselfishly and collectively to induce industry to locate in our area.

"Second, we must prove that we the people are not the stupid trouble-makers that some people believe us to be.

"Third, we must prove to industry that they need not be afraid to locate here.

"Thousands of us have been guilty of criticizing efforts made in the past to obtain this or that but have exerted no effort whatsoever to help.

"Are we so unconcerned as to what happens to our homes? Our families are born, reared, and educated here only to have to go elsewhere to earn a livelihood—not a very good future for most people."

(The second of these two submitted editorials will be published Thursday.)

### Negro Religious Organization Refuses to Endorse Work Stoppage

MIAMI (AP) — The influential National Baptist Convention, representing one-third of the country's Negroes, refused today to endorse a proposal for all Negroes to stop work on March 28 to pray for Alabama Negroes arrested in a bus boycott.

Dr. Joseph Jackson, president of the five million member organization, said the local boycott in Montgomery, Ala., was "all right" but that a work stoppage by all of the Negroes in the nation would amount to "a nationwide economic boycott."

"I don't believe religion should be used as an economic boycott," the Negro minister said Monday.

"Calling a halt to work is not in the Christian traditions."

Rep. Clayton Powell (D-N.Y.), a minister himself, and a group of other New York Negro clergymen called for the nation's Negroes to stop work for one hour on March 28 to offer a prayer for the Negroes arrested in the Montgomery bus boycott.

Powell, a member of the National Baptist Convention, said the

### B50 Skids Into Farm Buildings; B47 Hits Home

11 Killed in First Disaster; Four in Second

By United Press  
Two huge Air Force bombers exploded and crashed into farm houses in almost identical smash-ups late Monday and 15 men were killed.

The disasters occurred hundreds of miles but only three hours apart. Near Dayton, Ohio, a four-engine B50 crashed and skidded wildly into three farm buildings carrying 11 men to their deaths.

Three hours later, near Sedalia, Mo., a flaming B47 Stratofortjet sheared off part of a farm home and crashed. The four-man crew was killed and a farm mother and her son were burned.

In both cases, the bombers had taken off on routine training missions only minutes earlier—10 minutes in Ohio and 11 minutes in Missouri. The planes appeared to develop engine trouble at almost exactly the same time and were trying to return to their bases when they crashed.

Another air tragedy was narrowly averted hours earlier in the Midwest. Seven crewmen bailed out of a refueling tanker plane when its No. 1 engine caught fire, but the craft made a safe landing at the Olathe, Kan., Naval Air Station.

The B50 took off on its final Ohio flight from a top secret Air Force installation at Wright-Patterson Field and was believed to be a flying electronics testing laboratory. It carried nine airmen and two civilians.

Highway patrolmen spotted the stricken plane passing over a small woods and crashing in a cornfield. The pilot was apparently trying to make a crash landing, but the big plane skidded wildly for 150 feet, ploughed directly into a barn, garage, and unoccupied house, and exploded.

The blast scattered parts of badly charred bodies and wreckage over an area the size of a city block. Witnesses said the entire horizon was yellow with flames 300 to 400 feet high.

Air Force officials said the pilot of the B47 was also attempting a crash landing or a return to his base at Whiteman Air Force Base. The plane exploded in the air and smashed into the Clay Curtis farm home about 65 miles south-east of Kansas City, Mo., and 15 miles northeast of the base.

The civilians included Michael Spock, Champaign, Ill., a representative of the Illinois State Water Survey, University of Illinois.

### Stroke is Fatal To Democratic Senator Kilgore

WASHINGTON (AP) — Sen. Harley M. Kilgore (D-W. Va.) died today after suffering a cerebral hemorrhage. He was 63.

Kilgore, chairman of the Senate Judiciary Committee, entered the hospital Feb. 13 for a physical checkup and treatment for high blood pressure.

He unexpectedly suffered a stroke last Saturday afternoon and was in a state of semi-coma almost continuously until his death at 2:23 a. m. EST.

His administrative assistant, Harold C. Miller, said only a doctor was present when death came. Members of the senator's family were with him during the day.

Kilgore's death narrows the razor thin division in the Senate to 48 Democrats and 47 Republicans.

Kilgore, a big, slow-moving West Virginian, maintained a continuing interest in social legislation.

As the first man to survive West Virginia's turbulent politics for three successive Senate terms, Kilgore gained seniority and in 1955 became chairman of the powerful Judiciary Committee, which handles nearly half the Senate's bills.

He was also a member of the Appropriations Committee and chairman of its subcommittee which held the purse-strings on the State and Justice departments and the federal judiciary.

Earlier, he was a friend of President Franklin D. Roosevelt and Harry Truman. He served in the Senate with Mr. Truman in 1941 and claimed credit for helping Mr. Truman originate the idea of the special Truman war investigating committee on which Kilgore served.

Kilgore was also credited with the idea of establishing the Office of Defense Mobilization in World War II.

### Dulles Rejects Democrat Charges

WASHINGTON (AP) — Secretary of State John Foster Dulles today rejected Democratic charges that he has painted too rosy a picture of free world successes in dealing with Russia.

Dulles told a news conference, however, that it would be disastrous to be complacent because Soviet strategy could quickly return to the violent policies of Stalin.

All indications, however, are that Russia's new policies of non-violence are intended to be permanent, he said.

Dulles also said the United States, Britain and France have a good understanding of lines of action for coping with the Arab-Israeli dispute but that no war plan has been agreed on for use in case of violence.

### Like Will Hold Conference On Wednesday

Hagerty Refuses to Say if Second Term Decision Will Be Made

WASHINGTON (AP) — The White House announced today that President Eisenhower definitely will hold a news conference at 9:30 a. m. CST Wednesday.

Press Secretary James C. Hagerty refused to say whether the President would take the occasion Wednesday to announce his second term intentions.

Top Republicans expected the chief executive to make his announcement at the conference Wednesday, but Hagerty did nothing to support their expectations.

Thus far the White House has not requested radio or television time for an address to the public by the President, nor would Hagerty say when such a request would be made.

Wednesday mornings at 9:30 is the usual time for Mr. Eisenhower's news conferences. An announcement then would come within an hour after the stock market opens for the day. Hagerty was told that some political observers would interpret this set of facts as an indication the chief executive planned to say "yes" to the pleas of his party leaders to stand for re-election.

### Meets With GOP Leaders

Asked whether the market was taken into consideration in scheduling the conference, Hagerty said, "It is the regular time for our press conference and that is the time it is going to be."

Asked whether the President will announce his plans at the news conference, Hagerty said, "I would not know."

He promised again that when the White House requests radio and television time, reporters covering the White House will be told at the same moment the request goes to the broadcasting industry.

Prior to Hagerty's announcement, the President met for an hour with Republican congressional leaders. They said they came away with no definite knowledge of the President's decision or when it is to be announced. They said the second-term question was not discussed during their meeting with the chief executive.

### Diphtheria Hits City in Indiana

21 Cases Reported In Michigan City; All But One are Children

MICHIGAN CITY, Ind. (AP) — Michigan City's school children lined up for immunization shots today to protect them against a mysterious outbreak of diphtheria.

There have been 21 cases of the choking disease in the last few weeks in Michigan City and a surrounding area which includes 40,000 persons. Thirteen of the cases were reported over the weekend and all but one of those stricken are children.

The outbreak was extraordinary because modern serums have made diphtheria a comparative rarity. There were only 28 cases in all of Indiana last year.

Health authorities ordered the immunization program for the 4,700 children in public and parochial schools Monday. It was scheduled to be completed by Wednesday and after that, it was expected, children will not be able to go to school without slips saying they have been vaccinated.

None of the diphtheria victims here has died or is in critical condition and most of the cases are localized to an area on the west side of Michigan City and in nearby Cool Springs Township.

However, authorities feared there might be more cases. Some persons are under observation and may be possible victims, they said.

Most health officials believe the outbreak is caused either by polluted water or raw milk. These two factors figure in most of the cases and particular attention is being focused on a well in Cool Springs Township, they said.

The victims include seven children of Mrs. Dorothy Allen in nearby Waterford, Ind., ranging in age from 6 months to 13 years.

**Default Day in Circuit Court Friday**

Friday will be default day in Saline county circuit court. Judge Clarence E. Wright of Carbondale will preside.

### U. S. 'Safe' from Attack: Twining

WASHINGTON (AP) — General Nathan Twining, Air Force chief of staff, told congressmen today that he considers the United States is "safe" from Russian attack.

"With the stockpile (of nuclear weapons) we have today and our capability to deliver them," Twining said, "we are safe from attack."

The only possibility of attack by Russia, he said, is that Russian strategists would make "a mistake of judgment" on America's military and retaliatory strength.

Twining said, however, that the nation must not let up in its preparations, for "we can be even more ready" than we are now to meet any aggression.

Twining testified before a House Government Operations subcommittee which is studying the nation's civil defense program.

### Kick-Off Coffee For Red Cross Drive Thursday

All Saline county Red Cross Fund Drive local chairmen and workers in their territories are to meet at the First Presbyterian church at 9:15 Thursday morning for a "Kick-Off Coffee," it was announced today by John Murphy, Saline County Fund Drive chairman. Murphy has announced a goal for Harrisburg of \$6000, in the drive which starts March 1.

Local chairmen for Harrisburg are: Advance gifts, S. C. Thompson; Roy Staiger; Outlying businesses, Louie Beltz; Doctors, Dr. G. R. Johnson; Dentists, Dr. James Gaskins; Northwest residential area, Mrs. W. W. Chunn; Northeast residential area, Mrs. Paul Hatfield; Southwest residential area, Mrs. George Barnes; South residential area, Mrs. Victor Hamm; East Harrisburg, Mrs. Hobart Rawlins; Dorrisville, Mrs. Pat Shelton; Buena Vista, Mrs. Warren Tuttle; Wilmoth Addition, Mrs. Freeman Bacon; Pankeyville, Mrs. James Gasaway and Miss Emma L. Harris.

Local chairmen for the Red Cross Fund Drive are: Muddy, Ben Brinkley; Liberty, Mrs. Kenneth Roberts; and Gaskins City, Fred Bramlet.

This year marks the 75th anniversary of the Red Cross. Murphy pointed out. The success of the Red Cross in these 75 years of tremendous service to humanity is the record of every man wanting to do his best for his fellow human beings when they are in need of assistance. Its spirit has changed the older concept of live and let live, to live and help others to live, Murphy said.

The success of the Red Cross 1956 Fund Drive will not only be important in carrying out the many daily services of the Red Cross to Harrisburg but also in preparing for any future local disaster. Murphy stated, in urging workers and citizens to put forth their best efforts.

### Douglas Group Closes Hearings With Report on Metropolis, Cairo

MOUNDS, Ill. (AP) — A series of southern Illinois hearings on economically depressed areas ended Monday with testimony on the economic ills of the Cairo and Metropolis areas and the availability of electric power for new industry.

Sen. Paul Douglas (D-Ill.) conducted the hearings of a Senate Labor subcommittee on a bill he introduced to aid depressed areas with government funds and tax benefits.

**Mrs. G. L. Wooley Dies at Equality**

Mrs. Daisy Wooley, 71, widow of G. L. Wooley, died at the home of her son-in-law and daughter, Mr. and Mrs. Walter Moore in Equality, Monday morning.

The body will lie in state at the Moore home until the funeral hour which is Wednesday at 2 p. m. at the Equality Methodist church. The pastor, Rev. E. W. Fox, and Rev. Ira Thetford, Granite City, will officiate and burial will be in Elwood cemetery.

Mrs. Wooley leaves ten children: Mrs. Moore, Equality; Mrs. Herman Barnett, Mrs. Howard Wathen, Mrs. Sam Sisk, Mrs. Joe Gross, Ralph Wooley, all of Equality; Mrs. Robert Martin, Pontiac, Mich.; Mrs. Paul Burks, Gary, Ind.; Lawrence Wooley, Wood River, Ind.; and Raymond Wooley of Gary, Ind.; also a brother, Grover Maxwell of Alton, 17 grandchildren and one great-grandchild.

The A. K. Moore funeral home of Equality is in charge.

GUARD OUT FOR HOT ROD RIOT—Daytona Beach, Fla., police failed in their attempt to break up a riot-minded mob of hot rod auto enthusiasts meeting in the city. The National Guard, armed and using tear gas, finally broke up the crowd. Police arrested 46 persons during the 5-hour riot. (NEA Telephoto)

### Train Hits Auto Near Champaign, Three Women Killed

CHAMPAIGN (AP) — Three women were killed Monday night when an Illinois Central streamliner slammed into their auto during a heavy snowstorm.

Dead were Mrs. Everett Moore, 37, Tuscola, driver of the auto, and her two passengers, Mrs. Betty Lewis, 20, and Phyllis Smith, 16, both of Villa Grove.

State police said the accident happened in Pesotum, 15 miles south of Champaign, when Mrs. Moore apparently failed to see either the speeding City of Miami streamliner or red warning lights at the crossing.

The car was demolished and was swept along the tracks by the northbound train headed for Chicago.

### Eastern Half of Nation Hit by Cold; Twisters in South

By United Press  
A cold wave shoved its way into the nation's eastern half today behind heavy snows in the North and scattered tornadoes in the South.

Temperatures dropped 20 to 25 degrees from the southern Plains to the Ohio Valley. More cold was expected farther east and temperatures averaged 10 degrees below zero early today in northern Minnesota.

In the South, tornadoes injured four persons in Tennessee and hit the central Georgia communities of Russellville and Yatesville.

The Tennessee twister ripped through seven rural communities near Gallatin late Monday.

### Charge Two Cairo Men with Killing Tavernkeeper

MOUND CITY, Ill. (AP) — Two men were in jail here charged with killing a Pulaski County tavernkeeper.

They are 37-year-old Alfred Reahm, alias Al Masters, and Norman Halliday Jr., 33, both of Cairo. Murder warrants were issued against them in connection with the killing of 57-year-old Clate Adams near Olmstead last Thursday.

Halliday waived preliminary hearing when arraigned at Mound City Monday. Reahm was arraigned on a murder warrant last Saturday and also waived preliminary hearing.

No bond was set for the two men, who will remain in jail pending grand jury action against them.

Sheriff Robert Aldrich said Halliday signed a statement saying Reahm shot and killed Adams in his tavern south of Olmstead. Aldrich believed robbery was the motive of the crime.

**Mrs. Tom Ruckman, Former Resident, Dies at Hutsonville**

Mrs. Tom Ruckman, former resident of Harrisburg RFD 3, died at her home in Hutsonville Monday morning.

The funeral will be held at Hutsonville at 2 p. m. Wednesday and burial will be there.

She was the mother of Howard Ruckman, Gary, Ind., formerly of Harrisburg RFD 3.

**Ohio River Reaches Stage of 44.6 Feet**

The Ohio river at Shawneetown today reached a stage of 44.6 feet, a rise of .5 foot since yesterday, and was scheduled to start falling tonight.

### Three Others Also Dead in Florida Accident

Prominent Local Couple En Route Home from Vacation

Dr. N. A. Herrmann and his wife, Bernice, of Harrisburg were among five persons killed today in a head-on collision of two cars on U. S. Route 27 one mile north of Lake Wales, Florida.

Dr. and Mrs. Herrmann were en route home from a vacation trip to Miami. They were scheduled to arrive home Thursday evening.

A United Press dispatch from Lake Wales today identified the dead as:

Dr. and Mrs. N. A. Herrmann of Harrisburg; Mr. and Mrs. J. O. Edington of Haines City, Fla., and Champaign, Ill.

D. J. Weston of Haines City and Champaign.

Only one victim survived. Mrs. Ethel Weston, apparently the wife of one of the victims, suffered fractured ribs, but Lake Wales hospital reported her condition good.

Officers said the Westons and Edingtons apparently moved to Haines City only recently. Both couples still carried identification cards with Champaign, Ill., addresses.

Mrs. Annary Empson, employed in the offices of Dr. Herrmann, a local physician, said a wire received yesterday revealed the couple planned to arrive home Thursday night.

### Physician Here Since 1923

Mrs. Herrmann is the daughter of H. T. Towle, pioneer Harrisburg merchant who is in Lightner hospital at present suffering from a blood clot. She is a sister of Edwin Towle, manager of the Palace Clothing House, and John W. Towle, manager of the Fashion Palace. She has two sons, Towle Brown of Lansing, Mich., and David Brown of Sherman, Texas. Her mother died several weeks ago.

Dr. Herrmann is a native of Elchorn community south of Harrisburg. A graduate of Loyola Medical school in 1921, he practiced about two years at Equality, then came to Harrisburg where he has been a physician since 1923.

He survived by his mother, Mrs. Kathryn Herrmann of Elchorn community; two sons, George of Harrisburg and William Leo, a student at DePaul Law school in Chicago; and two brothers, Carl Herrmann of Rosiclare and Leo Herrmann of Ridgway. His father died about two years ago.

### Committee Votes To Postpone Cut in Corporation, Excise Taxes

WASHINGTON (AP) — The House Ways and Means Committee voted today to postpone scheduled reductions in corporation income taxes and excise levies.

The excise taxes to be continued at present rates include such consumer items as liquor, beer and cigarettes.

Under present law, the corporate and excise levies are scheduled to drop automatically on April 1, resulting in a loss in federal revenue of about three billion dollars a year.

The committee's bill would extend the present tax rates until April 1, 1957.

**Thinking It Over—For Lent**

By Robt. Dieffenbacher, D.D.

Written for NEA Service  
 The faucet dripped all night. At first the measured rhythm was soothing to the nerves but after an hour or two the steady beat took on the effect of a tom tom which never varied.

The constant beating was not in common with the heart beat. It was out of harmony with bodily functions, with mental processes, with nervous normalcy.

Sleep became impossible, yet the effect was so numbing in its insistence that the body would not move. The will was in conflict with the logic of the mind. The logical thing to do was to get out of bed and stop the drip or silence the effect, but action was impossible. The mind had become incapable of stimulating action.

Crime, and dishonesty, and sin generally are like that constant dripping. At first they are interesting or stimulating, but little by little they numb the senses. Soon it is easier to do nothing to correct the situation.

It is interesting to know that millions of Americans have come out of their stupor and have shut off the faucet. They faced their problems, became afraid and calling for help.

Calling for help is one of the first steps in prayer. The next step is action followed by satisfaction.

**Treason**

The Constitution says that treason against the United States consists in levying war against them or in adhering to their enemies, giving the latter aid and comfort.

**Coal Industry Sees Growth for Years to Come**

PITTSBURGH, Pa. (AP)—The soft coal industry believes 1956 may prove to be its "jumping off place" for important growth in years to come.

Americans are using more and more electric power, more iron and steel, and there is a growing demand for coal from overseas.  
 Only two years ago coal production hit the floor. Output dwindled to 329,000,000 tons, lowest since the depression year 1938.

Production rose to a remarkable 465,000,000 tons in 1955, an 18.6 increase over the previous year, leading to a cautious but definite optimism among soft coal operators.

The experts now declare that the once "sick" coal industry is entering an era of growth and prosperity that will lead to production of a billion tons a year in less than two decades.

Dr. H. Beecher Charnbury of Pennsylvania State University foresees an annual coal production of one billion tons by 1975 as a result of the nation's increasing population.

Coal production in the last few years has been a marvel of industrial efficiency. Coal is still selling at about the same price as eight years ago. Wages are higher, but the increased costs of mining coal have been off-set by greater efficiency and productivity.

**Oak Ridge Quartet, The Harmonizers, to Appear at Gospel Sing at HTHS March 2**

The Oak Ridge Quartet of Statesville, N. C., and The Harmonizers of Atlanta, Ga., will appear at the Harrisburg Township high school Friday, March 2, at 8 p. m. for a gospel singing.

The Oak Ridge group which has been featured in Life, Time, Colliers and Look magazines, has appeared on television programs throughout the nation, including the famous Steve Allen and Pee Wee King programs.

Calvin Newton, the second tenor, is a product of southern Illinois. He was born in West Frankfort and has lived in Carrier Mills, Eldorado and Harrisburg. He is the son of Rev. Leonard Newton who has been an ordained minister in the Church of God for 15 years and has pastored several churches throughout Illinois. Other members of the quartet are Cat Freeman, first tenor; Les Roberson, baritone; Bob Weber, bass, and Bob Whitfield, piano.

The Harmonizers are veteran professional musicians, some with classical backgrounds, who make an average of four personal appearances a week to capacity houses. For five consecutive years they have been stars on Wally Fowler's phenomenal "All Night Gospel and Spiritual Sing Concerts."

The group includes Fred Maples, manager, Seals Hilton, Happy Edwards, Fred Elred and Charles Key.

All motor vehicles on the North American continent will carry license plates measuring 6 by 12 inches by 1957.

**Chapter Z, P.E.O., Studies Ways to Help Exchange Students**

Chapter Z, P.E.O., met at the home of Mrs. Bob Wilson Friday, Feb. 24.

The program chairman, Mrs. Kenneth Capel, announced that the B.I.L. leap year party would be held Feb. 29 in the Elks Rathskeller. The next regular meeting, which is Chapter Z's birthday party, will be held at the home of Mrs. John Cape.

The chapter voted to send twenty dollars to the P.E.O. International Peace Scholarship fund. Mrs. Bruce Polk gave a brief and inspiring talk on expressing appreciation based on an article from the P.E.O. Record.

During the program Mrs. J. V. Capel spoke on "Peace Participation." She told about the Fulbright program and what other organizations, as well as P.E.O., were doing for foreign exchange students.

Mrs. John Cape led in a study of the Constitution which was carried out in the form of a game with prizes. Mrs. Kenneth Capel gave a report on the P.E.O. National Educational Loan fund.

Refreshments were served by the hostess.

Bruno De Giacinto is a patient at the Thornton Miner hospital, Kansas City, Mo., where he underwent surgery last week. His condition is fine and he is expected home this week end. His room number is 611.

**Miss Susan Hamby Hostess to Shining Lights**

Susan Hamby was hostess Friday evening to the Shining Lights Sunday school class of the First Baptist church. The evening was begun with Susan reading the class scripture followed by prayer.

After a short business meeting the members completed their individual scrolls which are to be used for their memory work. Games were then enjoyed with prizes being awarded to Brenda Henshaw and Lynn Franks.

Mrs. W. A. Hamby served dainty cookies and delicious cherry sodas to those mentioned above and to Vicki Brown, Kati-lou Miley, Mary Ann Slightom, Carol Adams and the teacher, Miss Barbara Fearheiley.

**Delta Alpha Chapter Holds Business Meeting**

Delta Alpha chapter of Delta Theta Tau held its regular business meeting Monday evening at the public library.

The chapter voted to contribute \$65 to the American Red Cross.

Mrs. John Humm, chairman of the Saline County Cancer society, gave a report on the American Cancer Society district meeting which was held at Mt. Vernon Monday. She was accompanied to the meeting by Mrs. Nelson Pankey who will be the cancer drive chairman this year.

**Announce Approaching Marriage of Miss Shirley Stephenson, Frederick Harris**

Mr. and Mrs. Ivor Stephenson of 418 West South, are announcing the forthcoming wedding of their daughter, Shirley Ann, to Frederick Harris, son of Mr. and Mrs. Jewel Harris of Carrier Mills.

Miss Stephenson was graduated from the Harrisburg Township high school in 1955 and is presently employed with the Sullivan Loan company. Mr. Harris attended Carrier Mills Community high school and is a graduate of the Southern Illinois university with the class of 1955. He is now assistant principal at the McKinley school.

The wedding will take place at the First Methodist church March 9 at 5:30 p. m.

**Mrs. Mae Vinyard, Clayton Kimbro Wed At Methodist Church.**

Mrs. Mae Vinyard and Clayton Kimbro were married Saturday, Feb. 11, in the chapel of the Methodist church. The Rev. W. L. Cummins performed the double ring ceremony at 7 p. m. in the presence of close friends and relatives.

Mr. and Mrs. James Gasaway were the only attendants.

Following the ceremony Mr. and Mrs. Kimbro left for a wedding trip in Texas where they visited her oldest son, Herman, and family in McAllen, and toured the Rio Grande Valley and parts of Old Mexico.

They are not at home at 1013 South Jackson.

Mr. Kimbro is employed at the Palace Clothing House and Mrs. Kimbro operated the Lynn Shop, recently selling out.

Mr. and Mrs. John R. Jackson have returned from a three weeks vacation trip to Fort Lauderdale, Fla.

**Daughters of Ruth Class Has Potluck Meeting**

The Daughters of Ruth Sunday school class of the McKinley Avenue Baptist church met Thursday night for a potluck in the basement of the church.

The tables were beautifully decorated with fruit and flowers for the meal which consisted of fried chicken, potato salad, slaw, coffee and Cokes, and dessert of raisin, pecan, pumpkin and cherry pies.

Following the meal the business meeting was held. Guy Eva Fritts gave the opening prayer. Roll call was by Helen Vinyard. A committee was appointed to arrange for a Palm Sunday breakfast.

Mrs. Verbal Sheldon gave the devotion entitled "Clean Hands and Pure Heart." Closing prayer was

by Mrs. Lillian Winkelman. Games were conducted by Mrs. Helen Vinyard.

Present were Mrs. Wayne Newcomb, Mrs. Maynard Cannon, Mrs. Herschel Brown, Mrs. Eloine Koch, Mrs. David Martin, Mrs. R. C. Fritts, Mrs. Bob Frantz, Mrs. Lloyd Hise, Mrs. George Butler, Mrs. Richard Rumsey, Mrs. Cecil Nelson, Mrs. Ewell Winkelman, Mrs. Ingal Horn, Mrs. Lewis Penrod, Mrs. Eldon Vinyard, Mrs. Verbal Sheldon, Mrs. Wilma Hutchinson, Mrs. Bonnie Proffitt.

Mrs. Rex Cantrell has returned from St. Petersburg, Fla., where she visited her sisters, Mrs. Pearl Phillips, residing in St. Petersburg, and Mrs. Thurman Irwin, Pontiac, Mich., also visiting there.

**Hospital Notes**

**Harrisburg Hospital**

Admitted: Curtis L. Petty, 121 South Vine. Norma Annis, RFD 2, Harrisburg.

Mrs. Everett Taylor, 927 West Barnett.

Mrs. Robert R. Hawkins, 1215 Oak street.

Mr. and Mrs. Charles Belcher, Indianapolis, Ind., on a Golden Wedding anniversary trip south, stopped in Harrisburg last week end to visit his nephew, Charles Girt and family. A family dinner party and trips to nearby places of special interest were planned for them by Mr. and Mrs. Girt.

Patients are admitted to hospitals of the United States at the rate of one every two seconds.

## Seek Federal Funds To Build School Damaged by Tornado

SPRINGFIELD — State officials have requested Sen. Everett M. Dirksen and Rep. Charles W. Vursell to seek federal funds to build a temporary school at Pinkstaff where the grade school was heavily damaged by a tornado.

The brutal tornado struck the town of about 500 persons early Saturday, leaving damage estimated at more than a million dollars.

William W. Downey, an aide to Gov. William G. Stratton said the community had requested emergency assistance primarily because of the damage to the elementary school.

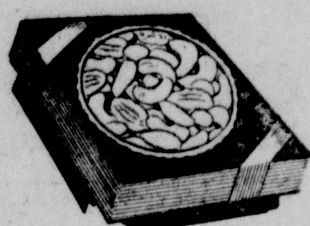

The 108 grade school pupils were temporarily shifted to Lawrenceville High School.

unemployed persons, 1,365 on the public assistance rolls and 1,695 receiving surplus food," he said. "Retail sales dropped 50 per cent since 1933; there are 60 empty homes less than three years old in Metropolis and 75 per cent of the graduating high school students leave home to find employment."

Civic and business leaders at Rosiclare told Douglas that the federal government should help the southern counties attract new industry and revive fluorspar mining.

Jacob Blackeisen, president of the Rosiclare Lead and Fluorspar Mining Co., told Douglas 400 miners lost their jobs at his mine when it closed in March, 1954, "because of the impact of foreign fluorspar imports."

**Wants Imports Controlled**  
Blackeisen said only a skeleton administration force is employed at the mine now. He said Hardin county can produce 250,000 tons of spar annually and asked for government control of spar imports.

Roy Hensley, president of the Hardin County Community Development Assn., said the county is too poor to and too small to finance new industries and must have government help in attracting new sources of employment.

Mark Watson, head of the El Dorado Community Development Assn., said 31,000 workers have lost jobs in southern Illinois and 25,000 left to take jobs outside the area in recent years.

**UMW Roster Shrinking**  
Evans McDowell, a representative of the United Mine Workers, said his union had 1,069 members in Hardin county in 1951 and now has only 411.

O. R. Kelsey, cashier of the First National Bank, Golconda, said government aid is needed for improving roads. He said he recently had to drive 150 miles to reach his farm that is actually 12 miles from Golconda because the roads were impassable or under water.

He said efforts to get a milk collection route set up and to promote dairy farming in Pope county are hindered by the poor roads.

## Predict Record Wheat Supplies

WASHINGTON —The Agriculture Department today predicted total wheat supplies for the 1955-57 marketing year beginning July 1 will be a record 1,990,000,000 bushels.

This is based on an indicated carryover of a record 1,065,000,000 bushels, a winter wheat crop based on seedings reports of 735 million bushels, and an anticipated spring wheat crop of 190 million bushels.

This compared with 1955-56 total supplies of 1,964,000,000 bushels consisting of a July 1, 1955, carryover of 1,022,000,000 bushels, 1955 production of 938 million bushels, and imports of about four million bushels.

## Your King Size Buy-by far! '56 DODGE Coronet

Here is the value that will change your idea about "price class." The King Size Dodge Coronet actually brings you more length, looks and luxury, more big car roominess and big car ride, than other cars in the "medium price field"—even those costing a thousand dollars more!

Yet, the exciting news is this! For all its size, comfort, performance and style, the King Size Dodge Coronet is priced right down with the lowest. In fact, you can own a Dodge Coronet V-8 Lancer hardtop for only about 95 cents a week

more than the same body style in the small car field.

Why settle for a small car when a new '56 Dodge Coronet brings you so much more for so little more! And why settle for a "stripped down" model of one of the medium priced cars when a full-size, full-styled, full-powered Dodge Coronet can be yours for less! There's a full line of Dodge Coronets to choose from: 2-door and 4-door sedans, 2-door and 4-door Lancer hardtops, and a dashing convertible.

Come in and see the Dodge Coronet today.

### Size it up with others in the medium price field

Car "B"	Dodge is 6.9 inches longer
Car "M"	Dodge is 5.6 inches longer
Car "O"	Dodge is 7.7 inches longer
Car "P"	Dodge is 6.4 inches longer

### Price it against small cars in the "low price field"

Car "C"	Dodge is 14.5 inches longer
Car "F"	Dodge is 13.5 inches longer

Yet Dodge costs only \$4.11 a month more (less than 95 cents a week!)\*

More legroom front and rear! More hiproom front and rear! Wider doors! Greater steering wheel clearance! More rear deck space! New '56 Dodge is bigger inside and out! Looks bigger! Kides biggest is biggest!

**Alabama Ends Kentucky Reign in SEC; Wildcats Vent Fury in 143-66 Spree**

By United Press

Alabama all but ended Kentucky's long reign in Southeastern Conference basketball today, even as Kentucky was venting its fury in the greatest scoring spree in Wildcat history.

Bama's Crimson Tide clinched at least a tie for the league crown Monday night by whipping Tennessee, 95-81, and will nail down the whole thing by winning one of its two remaining games. Kentucky tried to stay in the race by burying Georgia, 143-66, for a school scoring record.

Thus ends a fantastic era in which Kentucky won the SEC championship the last 11 straight years it was eligible. Since 1944, the only time the Wildcats failed

to win the league crown was 1953, when they were under a year's suspension by the NCAA.

**Wildcat Bid Possible**

But Kentucky may get a "consolation prize" in the form of a bid to the NCAA tournament. That's because Alabama's five starting players are ineligible for the tourney as four-year varsity players—and so are three starters at Vanderbilt, which could tie for second. It's thought both might pass up the bid, as Kentucky did under similar circumstances in 1954.

Alabama downed Tennessee on free throws, sinking 35 of 43 chances, to keep its league record at a perfect 12-0.

Poor Georgia suffered as Kentucky blasted apart its old con-

**Illinois and Iowa Topple Gophers, Wildcats; Stage Set for TV Tilt Saturday**

CHICAGO (AP) — A Hollywood script writer couldn't have written a better finish to the 1956 Big Ten basketball race.

Illinois and Iowa made sure of that Monday night by topping Minnesota and Northwestern. The Big Ten co-leaders now will meet Saturday afternoon before a national television audience at Iowa City, and to the victors will go the spoils.

The defending champion Hawkeyes and Illinois will enter the climactic battle with identical 12-1 records. Unless one of them suffers a letdown in the season's finale on Monday, the winner of Saturday's game will capture the conference championship.

Illinois ends its season Monday by playing the winless Wildcats at Northwestern while Iowa plays Indiana at Iowa City.

The Illini bounced back from their 87-84 upset at the hands of Robin Freeman and Ohio State and romped over Minnesota, 97-81, but only after the Gophers played them on even terms through most of the game.

**BonSalle Top Scorer**  
Dave Tucker and George Kline sparked the Gophers to a 49-46 halftime lead, but the Illini scored seven straight points at the beginning of the second half to take command. Tucker scored 19 of his 27 points and Kline hit for 16 of his 20 in the first half.

George BonSalle took high scoring honors, however, with 36, to move into third place in the Big Ten's individual scoring race behind Freeman and Julius McCoy of Michigan State. Bruce Brothers' rebounding and the shooting of Harv Schmidt, Bill Ridley and BonSalle made things easy for Illinois in the late stages of the game.

Iowa used its entire squad of 13 players in coasting to its 11th straight victory over Northwestern, 86-68.

The Hawks played "cat and mouse" basketball after assuming a halftime lead of 39-26. Hawkeye players passed the ball around under the Northwestern basket, got set for easy shots and then passed the ball back out instead of shooting.

All five Iowa regulars hit in the

**Play Championship Games Today in Grade School Tourney**

Championship games of the Harrisburg grade school basketball tournament were being played this afternoon at the Harrisburg Junior high school gym.

At 2:15 Horace Mann and McKinley played for the 5th grade championship. This game was followed by the 6th grade title tilt featuring McKinley and Logan.

Semifinal play Monday saw Logan advance in the 6th grade competition by beating Dorrisville 26-18 and Horace Mann defeated Logan 31-16 in 5th grade play.

McKinley advanced into the championship round, both 5th and 6th grade, in semifinal games played last week.

double figures. Bill Logan led with 21, Carl Cain had 11, Bill Schoof 16, Bill Seaberg 14 and Sharrin Scheuerman 12.

Purdue clinched a tie for fourth place by defeating Michigan, 72-63, behind Joe Sexson's 30 points. Sexson hit 10 field goals and 10 charity tosses to raise his season average to 21.6, fourth best mark in the league.

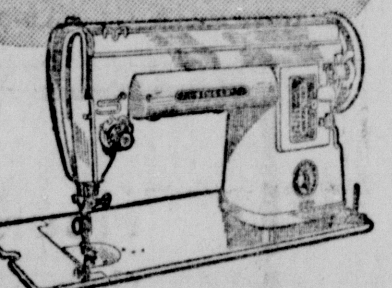

Michigan State, led by McCoy's 35 points, trounced Wisconsin, 89-82, for its sixth win against six defeats. The loss was the Badgers' 10th against only three wins and left them one notch out of the cellar in ninth place.

Four other Big Ten games are scheduled Saturday night after the Iowa-Illinois game. Purdue travels to Indiana, Minnesota is at Michigan, Ohio State hosts Michigan State and Northwestern travels to Wisconsin.

## Looking at Sports

BY BILL MELTON

Had a three-way tie in last week's "you pick 'em" contest. Three of the entrants came up with eight correct selections and two misses.

The co-champs are David Moore, 215 North McKinley, Harrisburg; Ben Davis, Box 37, Atlanta, Ill.; Eugene Edwards, Shawneetown.

All three missed by picking Centralia to defeat Canton. Edwards' second miss was by selecting Rosiclare over Carrier Mills. Davis was wrong in taking McLeansboro over Du Quoin. Moore failed when he picked Carrier Mills over Eldorado.

Davis was real close on the score of the game of the week. Eldorado won from Carrier Mills 56-51. Davis predicted 56-50. Edwards wasn't far off either with his 54-48 prediction.

Two games proved to be stumbling blocks to most of the contestants. Very few selected Canton over Centralia and only three expected Eldorado to defeat Carrier Mills.

This just about winds up our game of "you pick 'em" for this season. Have one more—regional tourney selections. Deadline on entries was yesterday afternoon. Will know the winners late this week and announce the champ about next Monday or Tuesday.

Remember Sam Smith? Sam was with The Daily Register several years ago, left here about five years ago and now is editor and manager of the Huntingburg, Ind., Independent.

While with The Register Sam wrote a column "Swing and Mith with Sam Smith." Now he writes a column headed "Hey Sam!" In the edition of Thursday, Feb. 23, the Hey Sam! column carries Sam's own system for picking tournament winners.

He calls it the "hat" system. This is the way Sam describes it: "We write the name of each team on a piece of paper and drop the pieces of paper in a hat. Then we make five draws, pulling out first, second, third and fourth place winners with each draw. A first place winner gets four points, a second

place winner three points, a third place winner two points and a fourth place winner one point. Then the points for the five drawings are totaled. The highest total is the tournament winner."

Sam points out that the system can't be perfect as he has just completed a drawing and the teams ending with the two highest totals, thereby indicating first and second place, are in the same bracket.

The reason for devising the "hat" system, Sam says, was to find a system more perfect than what he called the "Partisan System." That's where each town thinks the home team is going to win.

Not a bad system. Only thing is, a guy must be able to add to maybe more than ten.

The Southern Illinoisan has announced its all-star team from the participants in the grade school state basketball tourney played at Marion last week. Gary Taborn of Carrier Mills gained a guard spot on the first team. Taborn joined Neal and Carrodine of Mt. Vernon, Baggett of Marion and O'Neal of Centralia on the first team.

Stone and Henshaw of Harrisburg were given honorable mention.

The St. Louis Cardinals probably are not looking forward to any meeting this season with Pitcher Paul Minner of the Chicago Cubs. In the last four seasons, says The Sporting News, Minner has beaten the Cardinals 15 times in 17 decisions. Last year the lean lefthander trimmed them five times without losing.

## Top-Ranked 5's Pile Up Big Tourney Scores

Forty-eight teams tumbled out of the running for the Illinois high school basketball crown Monday night as regional tournament play began.

Two games were played at each of 24 tournament centers, and 36 other tourneys are scheduled to start tonight.

The top-ranked teams for the most part piled up top-heavy scores. Moline hit the night's high, with a 128-51 home-floor victory against Hillsdale. East Moline advanced 91-49 against Geneseo.

Champion Rockford West, still rated the state's best, was under wraps in toying with Rockton Hononegah 93-40. It was West's 20th victory against a lone loss. Harlem whipped Orangeville 68-64 for the job of tackling West in the semifinals.

Win No. 27  
Unbeaten Shawneetown got victory No. 27 by an 83-43 count against Ridgway at McLeansboro. Harrisburg surprised Eldorado in the other game, 63-44.

The Lincoln Railsplitters, with only two losses during the season, started quest of the Williams regional by smashing the host club 104-47. District winner Hartsburg-Edmen knocked off Riverton 62-49 in the second contest.

Quincy breezed by Kinderhook West Pike 95-35 and will next meet Camp Point Central, a 64-36 victor over Seymour Payson, in the Quincy Notre Dame tourney.

The Mount Vernon Rams ran over Grayville 81-31 and Mount Carmel roared by Mills Prairie 97-69 in the games at Fairfield.

At Dupo, it was East St. Louis over Cahokia 70-56 and Belleville over district champ Freeburg 95-62. At Alton, Collinsville conquered Granite City 62-39 and Wood River trounced another district champ, Roxana, by 83-64.

Clinton thrashed Le Roy 100-59 at Clinton. In the only suburban area tournament of the night, La Grange grabbed a cautious 59-44 win against Oak Lawn Reavis while Riverside-Brookfield barely averted an upset in edging Orland Park Ssanburg 50-48 in overtime.

Litchfield a Winner  
Midstate champ Litchfield ousted Medora Southwestern 72-39 at Carlinville, where the host club had a 47-44 struggle with little Worden.

Peoria Spalding, with the second best rating in the Peoria area, beat Elmwood 95-59 at Farmington. But Big 12 co-champ Peoria Central, rated the area's best, roared by Metamora 98-59 at East Peoria. In the second East Peoria game, district winner Roanoke cuffed Peoria Woodruff 77-64.

## Indians Scalp Ridgway, 83-43; Harrisburg Eliminates Eldorado

The Harrisburg Bull Dogs will meet unbeaten Shawneetown in the first semifinal game of the McLeansboro regional basketball tournament at 7:30 p. m. Wednesday and tonight four teams will fight it out to see who plays the other semifinal tilt, which will be Thursday night.

Harrisburg won its opening tilt last night from Eldorado, 63 to 44, after Shawneetown had scalped Ridgway, 83 to 43.

Tonight at seven o'clock Carrier Mills will meet Equality, and to follow at 8:30 will be McLeansboro vs. Norris City. Shawneetown was expected to win handily from Coach Bob Dallas' Ridgway team last night but the margin of Harrisburg's victory over Eldorado was a bit surprising. In winning last night the Indians ran their victory string to 27. Harrisburg won over a team that had beaten the Bull Dogs two out of three games this year.

The Bull Dogs displayed one of its best defenses of the year and coupled it with a balanced attack to defeat the Eldorado Eagles by 19 points.

Four players on Coach Lawrence Caluffetti's winners hit in the double figures. Ronnie Williams was high with 17 points, Wayne Stone had 16, Tony Beal had 11 and Bill Henshaw had 10.

Big items in the play were the way the Bull Dogs boxed off Eldorado's under-the-basket scoring power and the rebounding of Beal, who came out with the ball time after time after time.

Eagles Score from Outside  
As an example of the Harrisburg defense, Lindell "The Horse" Lovellette was held to two points—two free throws in the final quarter, and Laffoon, starting forward, made one free throw. His substitute, Watson, had six points, as did the other forward, Ronnie Stroke.

It was the outside shooting of Frank Willis, with 15 points, and Bob Clark, with 12, that kept Eldorado's scoring up. Willis was unusually uncanny with his shooting.

Harrisburg was cold and Eldorado hot the first quarter as the locals were missing good shots and Eldorado was connecting most of the time. The tide began changing in the second quarter, and during the last half the situation was completely reversed.

Eldorado connected with nine out of 24 field goal attempts and Harrisburg with eight out of 26 the first half, which ended with Eldorado leading, 24-22. For the game, however, Harrisburg, by shooting 566 the last half, finished with a .466 mark, connecting with 25 out of 56, while Eldorado was shooting .333, hitting 16 out of 48.

Harrisburg never took the lead until four minutes and 25 seconds were left in the third quarter. At that point Ronnie Williams put the Bull Dogs ahead 28-27, with a field goal, then added five more points while Eldorado was scoring two, and the locals led, 33-29. The lead increased to 39-33 at the end of the period.

Coach Al Adams had his Eagles put on a press but Harrisburg was never bothered by it. It gave the Bull Dogs plenty of opportunities to go in for layups, which was the big reason for the .566 percentage the last half.

## War Film On WSIL Wednesday

"Magic Bonds," an outstanding war picture featuring actual fighting by various units of the U. S. armed forces, will be shown on WSIL-TV Wednesday, Feb. 29, starting at 3 p. m.

The war film, produced to show the close comradeship of service men, is being sponsored in this area by the Veterans of Foreign Wars and Hollie Stout, Harrisburg.

VFW commander, urges everyone, especially former service men, to see this picture.

The picture was taken by U. S. service photographers and actual pictures of U. S. armed forces in action in various parts of the world are shown, Stout stated.

**Early Horns**  
Horns originated in prehistoric times, when the tip was broken off an animal horn which, when blown, produced one or two notes, according to the Encyclopedia Britannica.

## Mobile Unit Here Next Month; Gardner Urges Chest X-Rays by School Personnel

The mobile x-ray unit to picture chests for possible symptoms of tuberculosis will be in Saline county next month with the following schedule set up:

Carrier Mills, March 6; Galatia, March 7; Harrisburg, March 8, 9 and 10; Eldorado, March 16, 17. Hours are 10 a. m. to 1 p. m. and 2 p. m. to 5 p. m.

In conjunction with the appearance in the county of the mobile unit, C. R. Gardner, county superintendent of schools, urges school personnel to take advantage of the unit.

This x-ray will satisfy the demand of Senate Bill 658, which was passed for tuberculosis control of school personnel," Mr. Gardner said. "There is no charge attached to this x-ray."

"In case any school personnel fails to take advantage of this opportunity, they may secure forms in the office of the county superintendent for examination by a doctor of his choice."

Mr. Gardner submitted the following questions and answers on the interpretation of the law:

1. Does this include substitute teachers?
  2. Does this include all lunch-room personnel?
  3. Does this include all school or school system in any capacity which brings them in direct contact with any pupil in such school or school system who shall have been employed for less than 40 days between September 1 and December 1 of the current school year, but whose total days of employment shall aggregate 80 days in the school year, shall, after such total of employment days has been reached, comply with Section 3 of this act by presenting certificate as provided in (a) thereof or notification as provided in (b) thereof.
- However, it is recommended that school administrators encourage all teachers on the substitute list to have the chest x-ray examination with other teachers or before substituting.
- Yes, all regularly employed personnel, managers, cooks, dishwashers, concession clerks. It includes

pupil and student help, if they assist in any way and receive money or free meals for pay. Parent volunteers, if they receive meals and work for forty or eighty day period as stated in Section 6.

3. Does this include night custodial staff and all clerical staff?

Yes.

4. Does it include sports officials coming in only to referee games?

Section 6 would apply here; however, they should be encouraged to have the chest x-ray.

5. Where does the personnel employed by two boards as nurses, speech teachers, file their certificates or x-ray records?

A record should be filed with both boards.

6. Who pays when the employee goes to his private physician?

The employee.

7. Can the Board of Education require a more frequent examination?

Yes, if any individual has symptoms that might be questionable; however, they cannot substitute a requirement of every two years for the annual tuberculin or chest x-ray.

8. Duty of County Superintendent of Schools?

County Superintendent should notify school boards, to take personnel off the payroll if they have not submitted proof of complying by December 15.

9. Duties of the Secretary of the Board?

Keep all physicians' certificates on file. Enter data of x-ray on the form furnished by the Office of the Superintendent of Public Instruction, Springfield, Illinois. File with the County Superintendent by December 15 statement of names, addresses and positions of all employees who have not complied with Section 3.

## Charge Spinster With Falsifying Bank Accounts

SPRINGFIELD (P)—Auditors today tried to determine a Springfield bank's losses after a 58-year-old spinster who had worked at the bank since 1922 was charged with falsifying accounts by an estimated \$100,000.

The employee, Miss Helen Rose Mulcahey, who worked in the collection cage at the Springfield Marine Bank, was described as a very devout person, with simple tastes and no known extravagances.

A routine weekend audit turned up evidence of false entries and the FBI filed a complaint early Monday charging Miss Mulcahey with making false entries "excessive by not less than \$93,557."

Informed of the charges, Miss Mulcahey surrendered to the U. S. marshal, waived preliminary hearing and was freed after posting \$10,000 bond. She refused to discuss the charges.

Bank President George F. Bunn said bank officials were "extremely surprised" when the apparent false entries were discovered.

Bunn said Miss Mulcahey was

"one of the better paid employees" at the bank.  
The losses were covered by insurance.
